

10 Specific Outreach Prayer Needs

Obstacles of all sizes threaten to impede the work of Jewish Voice Ministries International around the world, especially in remote locations where we conduct Medical Clinics. Prayer is essential to effective ministry. Would you please pray for us?

Prayer in Action

Many times, after a difficult day, our teams in the field have seen God resolve problems in the evening – right around the time our staff and Prayer Partners are praying for them in the morning 10 time zones away.

Your Prayers Make A Difference

God uses your prayers. And we need them. Thank you for partnering in this work through prayer. For more detailed lists of prayer points, visit www.jewishvoice.org/prayer.
