**OUR MISSION:**

"To the Jew first and also the Nations"

The mission of Jewish Voice Ministries International (JVMI) is twofold: to proclaim the Gospel “to the Jew first, and also to the Nations” (Romans 1:16), and to equip the Church. We invite you to join us!

We equip the Church around the world by providing education in three areas: 1) the Hebraic roots of Christianity, 2) the Church’s responsibility to Israel, and 3) the Jewish People—specifically, helping Believers learn how to share Yeshua (Jesus) with Jewish People.

JVMI proclaims The Good News through a variety of print, online, and media strategies. Our weekly television program, “Jewish Voice with Jonathan Bernis,” airs throughout the United States, Canada, Europe, and Asia. Our mission outreaches include humanitarian and medical aid as well as large-scale international music and dance festivals.

Jewish Voice was birthed in 1967—a significant year for Israel—by healing evangelist Louis Kaplan, under the name Jewish Voice Broadcasts. That year, Louis launched the Jewish Voice Broadcasts radio program, and later added a television show which continues to air to this day.

Upon Kaplan’s death in 1998, leadership of Jewish Voice Broadcasts was passed to Jonathan Bernis, a Jewish Believer in Yeshua, forerunner evangelist since 1984, and founder of Hear O’ Israel Ministries. In 2001, the two ministries merged, becoming Jewish Voice Ministries International—now a multi-faceted, international ministry “to the Jew first.”

We invite you to partner with us in reaching Jewish People with the Gospel of Yeshua. Not only to the Jewish People, but also their neighbors in the nations where they live. Whether it’s helping aging Holocaust survivors in Israel or members of the Lost Tribes of Israel in Africa, Jewish Voice mission trips provide the opportunity to truly make a difference in the lives of people in need. We offer a “turnkey” partnership program that enables your group, organization, or church to share in the tremendous joys and rewards of blessing Israel and the Jewish People!
**WHY REACH THE JEWISH PEOPLE?**

Not all Jewish People reject Yeshua (Jesus) as the Messiah. The truth is, many of them have no idea who He really is! *Christ* is simply the Greek word for *Messiah*. But sadly, when a Jewish Person hears the name “Jesus Christ,” they think “the God of the Christians” rather than the Jewish Messiah, the Savior of the world. It is not that Jewish People have rejected Jesus, they simply have no idea who He really is.

Over 300 Messianic prophecies in the Old Testament reveal the identity of Jesus Christ—Yeshua the Messiah. The Old Testament prophesied where the Messiah would be born, when He would live, how He would die, why He would die, and that He would be rejected by His own people. The fact that Yeshua fulfills all of these Scriptures written hundreds of years before He was ever born, and in such detail, is proof of His Messiahship and the supernatural nature of Scripture.

As we share with Jewish People key Scriptures of Messianic prophecy—such as Isaiah 53 and Jeremiah 31:31-33—we are seeing Jewish People come to believe in Yeshua as their Messiah. When the scales fall off their eyes, we hear many of them say, “Why didn’t anyone ever show me this before?”

**Why reach the Jewish People with the Good News of Yeshua the Messiah?** Many Gentile (non-Jewish) Christians falsely believe that the Jewish People have their own path to God and don’t need Yeshua for salvation. This couldn’t be further from the truth! Not only do Jewish People need the Messiah for salvation like everyone else, but Romans 1:16 tells us that the Gospel is “to the Jew first.”

Only about 10 percent of the Jewish community is orthodox and actively studies Scripture. Most Jewish people have never even read the Bible!

We bring the Good News – the Gospel – of Yeshua to people who are Jewish according to the flesh. That is, those who are descendants of Abraham through Isaac, whether through the blood line of the mother or father. We help them understand that those who place their faith in Israel’s *Messiah Yeshua* will never disown or separate themselves from their Jewish race and Judaic heritage. On the contrary, they remain sons and daughters of Israel.

You can be a part of introducing God’s Chosen People to their Messiah, Yeshua! Join us on one (or more!) of our outreaches in Israel and Africa, where we will share the love and hope of Yeshua HaMashiach (Jesus the Messiah) “to the Jew first.”
JVMI: A TURNKEY MISSIONS PROGRAM

The Jewish Voice Ministries International outreach program offers you outstanding “turnkey” missions opportunities. What does “turnkey missions” mean?

It means that we take care of virtually every detail:

• **Finding** locations based on long-term relationships with local indigenous leaders.
• **Planning** evangelistic and medical outreaches, from the smallest details to contingency plans.
• **Providing** all medical equipment and other outreach supplies necessary to reach the most individuals and meet the greatest needs.
• **Arranging** international air and ground travel reservations through JVMI’s trusted agency partner.
• **Offering** excellent travel discounts and group rates—among the best in the industry.
• **Providing** training in the area where you will serve.
• **Providing** time-tested fundraising ideas and tools for your community.

All you need to do is gather passionate Believers who are willing and eager to serve, sign up for an outreach, and plan your fundraising drives!

We will do all we can to help you make your outreach a phenomenal success and empower you to serve as the Lord’s hands and feet in far-flung places around the globe.

God is powerfully moving today using mighty miracles, signs, and wonders. Biblical prophecy is being fulfilled! We marvel at the privilege of witnessing Jesus the Messiah calling people back to Himself as He prepares to return. Remember what He said to us in Matthew 25:35-40:

‘For I was hungry and you gave Me something to eat, I was thirsty and you gave Me something to drink, I was a stranger and you invited Me in, I needed clothes and you clothed Me, I was sick and you looked after Me, I was in prison and you came to visit Me.’

Then the righteous will answer Him, ‘Lord, when did we see You hungry and feed You, or thirsty and give You something to drink? When did we see You a stranger and invite You in, or needing clothes and clothe You? When did we see You sick or in prison and go to visit You?’

The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of Mine, you did for Me.’

You can be a part of helping those in such great need. You can bring hope to the hopeless, and change desperate lives with the love and Good News of Jesus. We would love to serve Jesus with you!

**ANSWER the CALL!**
Dear {Salutation},

It’s an honor to tell you about a wonderful opportunity for a group from your church to make a powerful difference in these Last Days.

There is no greater privilege than to be able to bless and share the Good News of Yeshua with precious Jewish People—many of whom are suffering tremendous persecution or need. To that end, Jewish Voice Ministries conducts several outreach events each year and these initiatives provide some truly exciting and rewarding opportunities for volunteers with a heart for the Jewish People.

For example, our Hear O’ Israel! Festivals of Jewish Music & Dance, known to draw crowds of thousands, offer Jewish People in some of the most history-rich communities around the world a spectacular evening filled with professional dramatic, musical, and dance performances depicting Israel’s history as a people and presenting the truth of the Gospel in an accessible and relevant way.

God blesses and uses these events in powerful ways—and we urgently need volunteer groups to help make them successful.

We also conduct periodic medical outreach trips to “Lost Tribes” communities in Africa and northeast India. It is our greatest desire to help the desperately poor and oppressed people of these Jewish communities find physical and spiritual healing. They are looking for hope and together we can help give it to them.

Would you as a church prayerfully consider organizing a group of volunteers to participate in one of our medical outreach trips or one of our Festivals of Jewish Music and Dance? I can assure you, it will be a transformative and deeply rewarding experience for every person who participates.

I’m sure you have questions and we would be delighted to answer them. For details, please contact us at:

Dear {Salutation},

I write today to make you aware of an important opportunity to apply your skills and training in the medical field in the vital cause of blessing and helping some of the most impoverished and oppressed Jewish people on earth.

Several times each year Jewish Voice Ministries conducts outreaches to “Lost Tribes” communities in Africa and northeast India. There we deliver medical, dental, optical and spiritual assistance to lovely but desperately poor people.

Today we urgently need medical professionals like you who will join us in sharing the healing power and love of Yeshua (Jesus). All medical disciplines and skills are in demand on these outreaches. The need is great. And so are the rewards for those who say, “yes” to this extraordinary call to bless the neediest of the Jewish People.

Would you prayerfully consider volunteering your skills and experience on one of our outreach trips? I can assure you, it will be a life-changing and deeply rewarding experience for you.

Several times a year, Jewish Voice and teams of fantastic volunteers offer desperately needed, free medical and dental care to poverty-stricken Jewish communities in Africa.

Our medical outreaches not only offer physical healing. Each patient and those with them are invited into our prayer room where they have the opportunity to receive compassionate prayer and hear the Gospel of Yeshua (Jesus). This provides a unique opportunity for non-medical professionals to participate in our medical outreaches. In fact, non-medical volunteers are essential to the success and vision of our outreaches.

The first JVMI medical clinic was in Gondar, Ethiopia in 1999 where we treated 1,300 patients. Those small beginnings have grown, thanks to the blessings of God, our skilled staff, and dedicated volunteers. Now, some 15 years later, we are treating an average of nearly 8,000 patients per short-term medical mission trip. Serving the Jewish People and their neighbors in this way in communities of Ethiopia, northeast India, and Zimbabwe we have also welcomed thousands into God’s kingdom as they have come to faith in Yeshua.

Jewish Voice also conducts special events that draw thousands of people in large city centers with our international Hear O’ Israel! Festivals of Jewish Music & Dance. These performances provide an evening of professional entertainment depicting the history of Israel and conclude with a stirring message and Gospel presentation by Messianic Jewish Believer, Rabbi Jonathan Bernis. Volunteers play vital roles in these large scale events.

The heartbeat of our outreach ministry is changed lives. Yours will be changed, too. Visit our website for a list of open outreaches you can sign up for. And don’t forget to stop by the Jewish Voice Blog for stories of healing and hope from past clinics.

Your smile, touch, skill, and heart can make an eternal difference. Pray. Plan. And come along! There’s a place waiting for you!
