

WAYS TO PRAY FOR ISRAEL

“PRAY FOR THE PEACE OF JERUSALEM...FOR THE SAKE OF MY BROTHERS AND MY FRIENDS, I WILL NOW SAY, ‘MAY PEACE BE WITHIN YOU.’”
—PSALM 122:6, 9 NASB

PRAY WITH US:

- That IDF units and those working with them would quickly and entirely neutralize all remaining terrorists hiding or wreaking further havoc within the borders of Israel, bringing peace to the cities and kibbutzim that have been attacked.
- That Israel would quickly eliminate all Hamas strongholds and neutralize all those attempting to attack Israel from any side right now, thereby restoring peace to the region.
- For comfort and shalom for families mourning the loss of friends and loved ones who paid the ultimate price defending their country or who were murdered in cold blood while going about their daily lives
- For shalom beyond understanding for those awaiting news about the condition or whereabouts of family members dragged across the borders of Gaza. And pray these hostages are released alive!
- For peace in the hearts of Jewish Believers throughout Israel – some of whom have already lost children to the war. Pray the Lord would strengthen and comfort them so they can be a light and a comfort to their communities in Yeshua’s (Jesus’) name.
- For Believers currently engaged in active combat and serving in sensitive military operations – there are many. Pray that the Lord would cause His peace to reign in their hearts as they defend the Land God gave to the Jewish people and as they defend those living in it. Pray for strength, wisdom, and protection for these brave men and women in Yeshua’s name.
- For peace between Messianic Jews and Arab Christians – that the unity of the Holy Spirit would enable them to remain in strong relationship with each other during a time when those relationships are tried like never before.
- For the 80+ partner ministries that we support in Israel on an annual basis (congregations, para congregational ministries, mercy ministries, emergency response organizations, etc.) – especially those located in southern Israel – that God would give them wisdom, divine strategy, and protection as they begin to respond in the midst of this crisis.
- That many in Israel would, in the midst of this dark hour, encounter and experience the Prince of Peace and come to know their promised Messiah, Yeshua, who binds up the brokenhearted and who gives peace that this world cannot give.
